V. Old Business

a. New Internet Site---Terri Leichtweis reported that it is now up and running. All the main pictures on the web site were taken by Paul Ng. We get monthly reports on what pages are being viewed. It can be updated as often as needed a month for free. The current minutes are placed on the web site.

b. Merchant account with Wells Fargo---Tiffany Gaertner stated that having a Merchant account with the Wells Fargo is not economically because of a three year contract and a monthly fee as well as a 1.5 % fee on all transactions. If we did get one than it would be with pay pal would be a flat fee per sale. This would be to accept credit cards for the yearly AEC conference. Does the general body want us to research this possibility with pay pal especially for joint conference in the future.

VI. New Business

a. Late Fee Proposal---It was asked to the body for raising the late fee for membership dues. Currently it is \$20 for dues and \$25 for a late fee. A third of the membership pays the dues late. Doug Evans moved to raise the late fee to \$30. Joe Martinez seconded the motion. Motion passed.

b. Newsletter continuing---Not brought up in meeting

c. 2012 AEC site---It was suggested to maybe find a place in the west like in Pinedale or Jackson. Neal asked for volunteers to help research the next AEC site.
